**Bri-Chem Announces Strategic Midland Texas Warehouse Purchase**

---

**NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE U.S.**

---

**Edmonton, Canada, December 7, 2022 – Bri-Chem Corp. (“Bri-Chem” or “Company”) (TSX: BRY),** a leading North American oilfield chemical distribution and blending company, is pleased to announce it has purchased a strategically located warehouse facility in Midland, Texas.

The new Bri-Chem warehouse facility spans 7,500 square feet on a 5.29-acre parcel which was financed through an extension of our existing mortgage facilities from Canadian Western Bank. This acquisition serves as a strategic anchor location for our USA Operations as Midland, Texas is the primary service point for the Permian Basin which continues to be one of our fastest growing regions. The size and span of this new facility will provide additional opportunities for bulk storage and blending as we continue to invest in our infrastructure.

### **About Bri-Chem**

Bri-Chem has established itself, through a combination of strategic acquisitions and organic growth, as the North American industry leader for wholesale distribution and blending of oilfield drilling, completion, stimulation and production chemical fluids. We sell, blend, package and distribute a full range of drilling fluid products from 26 strategically located warehouses throughout Canada and the United States.
